Word Solver Activity

Each word represents a transferable skill and contains missing letters. Fill in the missing letters.

(Answers on back page)

P _ o _ e _ t _ M _ n _ g _ m _ n _

A _ t _ v _ L _ s _ e _ i _ g

O _ g _ n _ s _ t _ o _ a _

P _ o _ l _ m S _ l _ i _ g

C _ s _ o _ e _ S _ r _ i _ e

D _ c _ s _ o _ M _ k _ i _ g

Word Search answers:

creativity
teamwork
analytical
resilience
reliable
adaptability
communication
leadership
public-speaking
motivation
time-management
integrity

Skills are transferable. They can be learnt in many different ways!

Places you can gain transferable skills include:

Gaining transferable skills through jobs and activities

Here is an example of how different jobs and activities can lead to gaining and developing transferable skills.

Fill in the blanks on the flow diagrams below that show jobs and activities leading to transferable skills:

Demonstrating transferable skills gained and developed

It is your turn to think about your own experiences. What transferable skills have you gained and where? What could you do now to develop or gain skills? Use this space to start thinking: you can draw a flow diagram, table or mind map, or display it more creatively (like the tree example).

Word Solver answers: project management, active listening, organisational, problem solving, customer service, decision making
