Your data – evaluation and tracking

The above personal data you have provided will be used **to manage and deliver** our programmes, and to **monitor, evaluate and research** the impact activities on participants. Your data will help to evaluate the effectiveness of our activity as part of the government policy to widen participation in higher education, and to develop future policy. Your data may be shared with government funding bodies and our collaborative partners.

To enable long-term monitoring, evaluation and research on outcomes for the people who participate in our outreach programmes, we also **track** student data and link it with data held in national datasets. We can then analyse and report on the attainment and education destinations of the people who have taken part in our activities. However, data will be **anonymised** in reporting and evaluation – no-one will be individually identifiable in these aggregated reports.

Please see our **full Privacy Notice** for details of our partners and data sharing:

Photo permissions

St Mary's University Twickenham, and our programme partners, may wish to use **photography or film footage** of young people and their creative work to promote our institutions and the partnerships. This applies to print and digital media formats including print publications, websites, e-marketing, posters, advertising, film and social media.

I consent to the use of my image from photography and filming	Yes ☐	No ☐
