

St Mary's  
University  
Twickenham  
London

In celebration of British Science Week (10th-19th March 2023)  
and Brain Awareness Week (13th-19th March 2023)

# Year 6 SCIENCE Workshops at St Mary's University

Three workshops designed for 60 Year 6 local primary school children,  
with groups rotating through experiences, covering:

**Tuesday 14th March**  
**10am-12 noon**

Places are limited. For more information  
and to reserve spaces, please contact:  
[schools.colleges@stmarys.ac.uk](mailto:schools.colleges@stmarys.ac.uk)  
citing 'Year 6 Science Workshops'.

This event provides an excellent opportunity  
for any primary school students to experience  
university. Workshops are also part of the  
University's commitment to increase  
awareness of important issues  
within society.
