

Your picture must be:

- Recent and a true likeness of you.
- In sharp focus and good light so that your features are clearly distinguishable.
- Be a colour photo.
- Show you facing forwards with your head and shoulders in the photograph.
- Looking straight towards the camera. Your eyes must be open and clearly visible (no sunglasses or heavily tinted glasses if you wear glasses, show your eyes clearly and avoid glare on the lenses and your hair must not be across your eyes).
- Taken against a PLAIN and NEUTRAL background (Preferably White).
- No other people or objects in the photograph.
- You should not wear a hat or cover your head unless this is for religious reasons.
- No photo's with red eye.
- NO selfie shots.

If your picture does NOT meet this criteria, it will be rejected and delay you receiving your ID card.
