How to apply

There are three ways for international students to apply for undergraduate and postgraduate programmes at St Mary’s.

Undergraduate

Apply online directly to St Mary’s
If St Mary’s is your only choice of institution and you do not wish to indicate any other universities on your application, then we are able to accept direct applications via our International Undergraduate online application system: www.stmarys.ac.uk/international/form.htm.

Apply through UCAS (www.ucas.com)
If you are applying to more than one UK university, you may want to apply through UCAS (the Universities and Colleges Admissions Service). Our UCAS codes can be found on the website on each course page.

Apply through the Common App
www.commonapp.org
If you are applying from the US, or are applying to other universities/colleges that are also Common App members, then you may choose to apply to St Mary’s through the Common Application online system. If you are from a country where we have official representatives, you can apply to us with their help. Please see our website for further information regarding our representative partners.

After you have been offered an undergraduate study place as an overseas student and before we can issue a Confirmation of Acceptance for Studies (CAS) you will be asked to pay a minimum £2,000 deposit towards your tuition fees.

Postgraduate

You can apply online to study a Masters degree by visiting the relevant course page and clicking on ‘Apply for this Course’. Applications should be accompanied by two references and a copy of the certificate of the highest qualification you have gained to date. If you are still waiting to obtain your final Bachelors degree, you can submit your most recent academic transcript.

You are normally required to have at least a second class honours degree from a UK university or an equivalent overseas qualification. The International Admissions Team at St Mary’s is experienced in dealing with qualifications from all over the world. For more information about the specific requirements for your country, please visit www.stmarys.ac.uk/international or email international@stmarys.ac.uk.
We know that managing your money and working out how you will finance your higher education is an important consideration for you. At St Mary’s we offer a framework of student support and advice to assist you throughout your student journey.

Applicants do not need to make a separate scholarship application and will be considered automatically for a scholarship after being made an offer of study. A panel will assess offer holders based on candidates’ prior academic achievement and personal statements. St Mary’s has all the advantages of a great London location and the peace and security of a beautiful self-contained campus. With Kingston, Richmond and central London close by, you’ll always find plenty of things to do.

Our leafy campus is only 30 minutes from the heart of London, giving you the opportunity to take advantage of shops and entertainment as well as the cultural and educational benefits offered by theatres, galleries and the latest exhibitions.

Teddington and Twickenham are within walking distance and offer you a variety of shops, restaurants and pubs. Twickenham is on the river, and the larger riverside towns of Kingston and Richmond are just a short bus ride away. You will find cinemas, live music venues, bars, theatres, and a bowling alley, as well as an excellent range of shops, cafés and restaurants. Kingston nightclubs offer special deals for St Mary’s students and you will find other discounts for students in the area. St Mary’s is also an excellent location for finding part-time jobs.

For fresh air, nearby Richmond Park and Bushy Park in Teddington have hundreds of acres of beautiful, secluded woodland for get-away-from-it-all walks as well as space for cycling and running.

The Royal Botanical Gardens at Kew, Henry VIII’s Hampton Court Palace, museums, galleries and several historic houses open to the public, are also very close to the campus.
Our campus
St Mary’s offers you a pleasant learning environment on a beautiful self-contained campus, with a great social life in a diverse and safe community. With nearly 6,000 students studying here, it’s easy to make friends and feel at home.

Students’ Union

St Mary’s Students’ Union (SMSU) is a registered charity run by students, for students. SMSU holds elections every year to give you your say on who should be voted in as your main representatives and leaders of the Students’ Union.

By becoming a student at St Mary’s you automatically become a member of the Students’ Union. The SU provides support and a voice for every student, giving you the opportunity to have your opinions heard, whether they relate to academic, social or sporting matters.

The SU supports a variety of sports clubs and societies that provide the perfect platform for you to express yourself, make friends and socialise.

The SU has a bar and a club, and organises a variety of events on a weekly basis throughout the year. Events take place on and off campus, and include weekly club nights, the much anticipated SIMMStock music festival and the Summer Ball.

Visit us or take a virtual tour

We know that attending an open event and seeing the campus for yourself will play a crucial part in your decision about where to study. At St Mary’s our open events offer you the opportunity to see our facilities and accommodation, talk to our current students, and meet academic staff who can explain programmes in depth and answer all your questions.

Visitors to our campus are impressed by its leafy surroundings, historic setting and friendly atmosphere – so why not come and see for yourself?

St Mary’s runs weekly campus tours, details of which can be found on the website www.stmarys.ac.uk/open-events/undergraduate.aspx.

Virtual tours
If you are unable to visit the campus, you can take a virtual tour at www.stmarys.ac.uk/contact/virtual-tour.aspx. You can also contact us at international@stmarys.ac.uk to arrange a personalised virtual tour over Skype.
