Setup guide

**Glide**  
Student

# Join our student network

If you've registered with Glide Student through the pre-arrival service, sign in using your username and password. If you need to create an account, simply follow our quick and easy setup guide below.

## Step 1: Find our network

- Scan for available Wi-Fi networks and select **Glide**, or alternatively connect your device using an Ethernet cable.
- If you can't see the Glide network, please select '**Glide\_2.4**'. If your device displays both network names '**Glide**' and '**Glide\_2.4**' - then please continue to connect to the Glide network as this is optimised for your device.
- Open a browser window, such as Google Chrome or Firefox. You should be re-directed to a Glide welcome screen.
- Click **get started**.

## Step 2: Select your service

### Free:

- For our free broadband product, click **register**.
- You will automatically be re-directed to a login page.

### Upgraded:

- If your residence has upgrade options available and you would like to purchase an upgrade, click the basket next to the product of your choice.
- Review your order and click **continue**.

### Got a voucher?

Click **View Basket**  
(located in the top left of the screen )

> **Type in your voucher code**

> Click **Apply**

### Step 3: Login in or create account

- If you're an existing user, log in using your username and password. If you're a new user click **create account**.
- Complete all fields and choose a memorable username and password.
- Accept the Terms and Conditions by clicking **I accept**.

### Step 4: Setup a payment

- If the services selected require payment you will be asked to enter your payment and billing details.
- Click **pay now** to accept terms and conditions.

### Step 5: Start browsing

- If registration has been successful a confirmation screen is displayed and you will be logged in automatically.
- You will receive an email confirming your username.

#### Get the Glide Student App

You can download our App from the Apple and Google Play store. Just search for 'Glide Support'.

# Issues registering for a Glide account?

## 1. Clear your browsing history, cookies and cache:
