

# Chaplaincy at St Mary's

St Mary's Chaplaincy welcomes you. We offer to accompany you in the joys and struggles of all aspects of University life. We value discovery, personal growth and fostering understanding between people of all faiths and none. We are an active part of the St Mary's community, teaching out and serving on campus and beyond. As a Catholic Chaplaincy, we seek to witness to Jesus Christ and his love for each of us. Our door is always open to students and staff.
