MSc Sport Rehabilitation

Sept 2025

Online start: 8th Sept

First practical days on campus: Weds 24th, Thurs 25th, Fri 26th September 2025

Purpose and Contents

The purpose of this document is to provide you with essential information before you start the 2025-26 academic year with us and help you better understand the structure of the programme.

This information is accurate as of 12th August 2025 and remains subject to changes

Contents

1. Essential checklist before you start
2. Online engagement before we see you
3. Timetable for your first contact days
4. Overview of the programme options (FT and PT)
5. Overview of programme delivery
6. Overview of modules per semester
7. Clinical Placement
8. Contact details

Essential checklist before you start

01

Confirm your programme format choice (part-time or full-time) with the Admissions team. Only if you need to change your choice, contact apply@stmarys.ac.uk

02

Enrol before 8th September 2025

Online content starts on 8th September. You will need to complete 3 weeks of content before attending your first practical days on 24th, 25th, 26th September 2025.

03

Check that you have access to your St Mary's email address (allocated to you after enrolment)

Please read further information here:

[Things to do after you enrol](#)

University
Twickenham
London

Online engagement from 8th September

To maximise our practical time with you on the Weds 24th, Thurs 25th, and Fri 26th September, it is essential that you are set up to engage with and complete online module content from the 8th.

- You will access Module content via Moodle, the University online learning environment
- There will be lectures (videos) to watch and quizzes to complete for each module
- There will also be online LIVE sessions for you to attend via Teams. These are compulsory. You will be sent the Teams links directly by your module convenor:
 - Thursday 11th Sept: 4-6pm
 - Thursday 18th Sept: 4-6pm

Your first practical days on campus

Please note that all practical sessions are mandatory (regulated by BASRaT)

Full-time (FT)		Part-time (PT)	
Wednesday, 24 September		Wednesday, 24 September	
9:00 – 11:00	Welcome and induction (venue: Main campus, PEC)	9:00 – 11:00	Welcome and induction (venue: Main campus, PEC)
11:00-13:00	SPR7029 - Intro to rehab (PEC)		
14:00-18:00	SPR7030 – Intro to soft tissue therapy (60 WR 02)	14:00 – 18:00	SPR7027 – Intro to soft tissue therapy (60 WR 02)
Thursday, 25 September		Thursday, 25 September	
9:00-16:00	SPR7027 - Pt management (60 WR 102)	9:00-16:00	SPR7027 - Pt management (60 WR 102)
Friday, 26 September		Friday, 26 September	
9:00-16:00	SPR7025 - Clinical Assessment (60 WR 101)	9:00-16:00	SPR7025 - Clinical Assessment (60 WR 101)

Programme Options

Full-time

- 12 months taught + 6-12 months to complete dissertation and clinical placement
- Max study time 2 years
- 3 practical days on campus per month
- 3 days per week online learning time demand
- 400 hours of clinical placement
- International students are eligible

Part-time

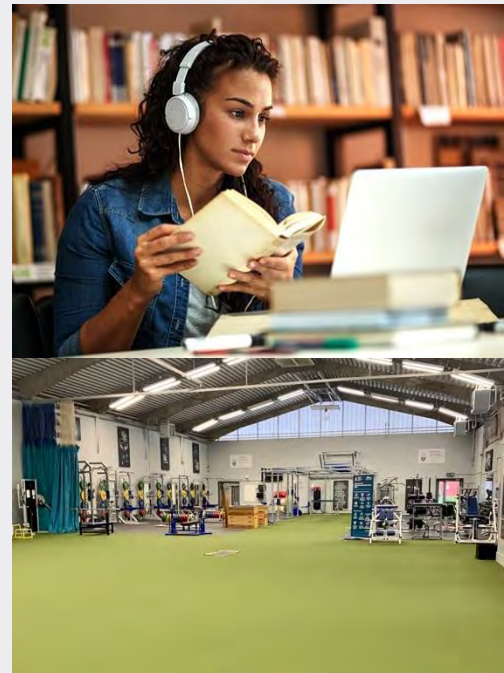

- 24 months taught + 6-12 months to complete dissertation and clinical placement
- Max study time 3 years
- 2-3 practical days on campus per month
- 1.5 days per week online learning time demand
- 400 hours of clinical placement
- International students are not eligible

Please contact Admissions to confirm your enrolment preference: apply@stmarys.ac.uk

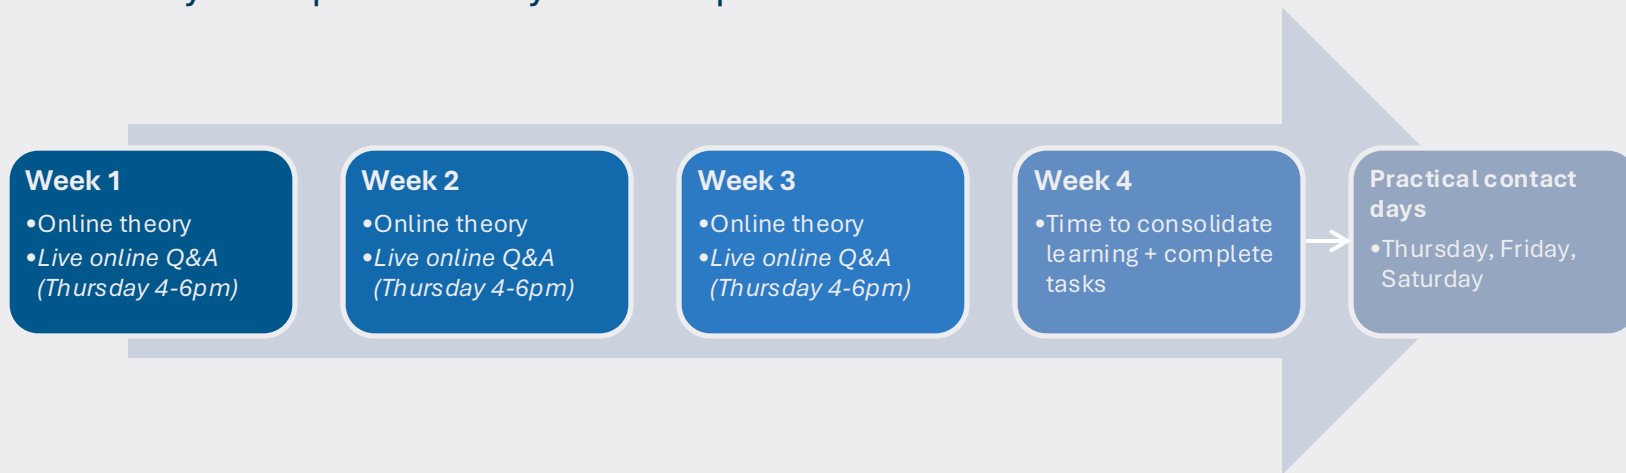

Programme Delivery

- The programme will be delivered over two semesters:
 - Semester 1: September – February
 - Semester 2: February – July
- Most **theory** content will be delivered online asynchronously (to be completed in your own time)
 - Pre-recorded theory content will be supported by online live sessions once per week to facilitate discussion and Q&A, scheduled on Thursdays from 4-6pm
- There will be 3 **practical** days per month where you are required to attend campus
 - Practical days will be consecutive, on Thursdays, Fridays and Saturdays at St Mary's University (with the exception of the first practical block which will be Weds, Thurs & Fri.)

Programme Delivery

The semester is broken down into four-week 'blocks' – 3 weeks of online theory learning followed by the 3 practical days on campus in the 4th week:

Online content will be released week-by-week. You will need to complete quizzes to progress through the content and you will be expected to complete engagement tasks in preparation for the practical days.

Clinical Placement

- All students (FT & PT) are required to obtain 400 hours of clinical placement over the duration of your studies
- Clinical placements are arranged and completed independently by students, to allow you the freedom of choice and flexibility in when/how you complete your hours
- All placements need to be approved by our Clinical Placement Coordinator, who will verify that the chosen place is suitable and that you will be under an appropriate supervisor
- You will need to complete your hours at two different places (at least). All hours cannot be obtained from one place. Ideally, one sporting environment and one clinical environment.
- A maximum of 40 hours can be obtained through opportunities offering soft tissue support only.
- If you are already a certified Healthcare Practitioner you can gain a maximum of 100 hours from your place of work. These hours need to be signed by a fellow practitioner and accompanied by evidence of learning. This can be in the form of a supervisor report.
- We will provide further information, support, and guidance

Sport Rehab Kit

- All students (FT & PT) are required to wear St Mary's Sport Rehabilitation uniform for practical days and to attend Clinical Placement
- This sets our professional standard
- Please order your kit at your earliest convenience

Recommended kit:

- 2 x polo shirts
- 1 x tracksuit pants / shorts
- 1 x hoodie / jumper / long sleeve

You can order your kit here:

<https://www.kukrisports.co.uk/teamshop/shasacademickit/productNavListNg.action>

Select “St Mary’s – Sport Rehabilitation” from the “Add your logos” dropdown list

If you are unable to get the kit before/at the start of your programme you are expected to wear the equivalent – black/navy appropriate practical kit

Please note that our kit supplier is due to change imminently. It is still absolutely fine to wear the Kukri kit if you have already bought it. If you have not bought kit yet, it is acceptable to wait for the new supplier and wear black/navy appropriate practical kit in the interim.

Essential equipment

Throughout your first semester you will be learning a variety of massage and soft tissue techniques. In-order to fully participate in the module, you will need to purchase a few items of essential equipment prior to the module start. These will be used in lecture time but also for any charity and event work, such as the London Marathon. These items will also be of use for practicing your skills outside of lecture time. Once you have passed the module you can then take out insurance and work as a Level 4 massage practitioner for the remainder of your studies. This is a great way to gain work experience whilst earning some money.

Required items:

- 1 x massage lotion (Physique massage lotion)
- 1 x navy couch cover
- 1 x couch roll
- 2 x large navy towels
- 1 x small/medium navy towel

You can order your equipment here:

<https://www.physique.co.uk/>

You can source your towels/equipment from other places if you wish to
